

The Virginia Geographic Alliance is extending an invitation to schools in Virginia to send an educator interested in learning how to incorporate Geo-Inquiry into their classrooms.

The workshop will be held the weekend of August 17-19, 2018 in conjunction with the “RU World Ready?” Conference at Radford University in Radford, VA.

Participants will also be required to participate in pre and post workshop webinars in June, July, and September with a follow up reflection, and to complete / submit a Geo-Inquiry lesson plan for distribution via the VGA website by October 31, 2019.

Participants will have ***no expenses*** associated with the conference or the webinars and each participant will receive a \$100 stipend upon successful completion and submission of the lesson plan.

**Complete the registration form at the following link:

Please fill out the form for this institute. Participants must be either classroom teachers or classroom support for teachers (ITRT, Librarian, etc).

By applying for the institute, you agree to attend the weekend workshop, participate in all webinars, submit the follow up reflection and lesson plan, and educate your home school/district about geo-inquiry.

Applications must be submitted by **5pm on July 10, 2018** to be considered.
